Notes:

- ± The duty cycle for intermittent on-off operation is 25%. The continuous duty actuator with Servo is rated for 100% modulating operation.
- 2) Handwheel Spinner shown in drawing is available as an option.
- 3) K & M Dimensions are also available in M8, M12, and M20.
- 4) N Dimension is also available with Double Square (Star) drive.

Drawings are for reference only. Please refer to Bray ES drawings on the Bray website, www.bray.com. Bray reserves the right to change product dimensions without notice.
